- **Building 7 came down,**
- **It fell straight and fast!**
- **Not hit by a plane!**
- **How do you explain?**
- **The Truth we'd like to know!**

- **The 9-11 Commission,**
- **Ignored the 7 collapse.**
- **FEMA could not explain...**
- **but say -- Iraq is to blame?**
- **It's our nation's shame.**

- Was thermite used?
- And who set the fuse?
- Molten metal came down!
- It formed pools underground...

- No air defenses that day!
- Who opened up the gates?
- Who let them fly right through?
- A few clearly knew
- Made money on “puts” too.

- **“If our government had merely done nothing, and allowed normal [air defense] procedures to happen on that morning of 9/11, the twin towers would still be standing, and thousands of dead Americans would still be alive.” Colonel Robert Bowman**
- Bloomberg News reported, **“Trading in so-called put options, which rise in value when stock prices fall, surged as much as 285 times the previous average volume in AMR [parent for American Airlines] and UAL [United Air Lines] during the days before Sept. 11.”**

- American Air and United Air were the two which were hijacked, and their stocks dropped --- Puts made millions perhaps billions

- Since Nine-Eleven, truth's been lost without a trace!
- I dream at night people will wake up and embrace...
- The "neo-cons" we can actually replace.
- I'm feeling bold and I hope the truth will be told...
- **I keep crying: people, sheeple, Pleeease!**

- Can't we wake up?
- Can't we stop this?
- **We're getting prepared**
- **So we won't be scared...**

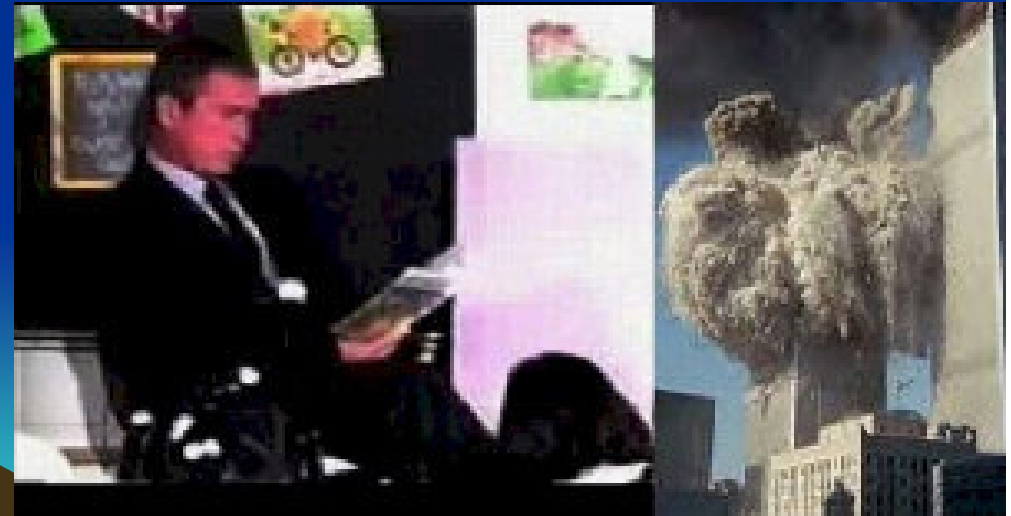

- We can tell another
- We'll help each other
- We're world-wide brothers

- He whispered in your ear,
- That “**we’re under attack!**”
- Why did you just sit,
- Did not look surprised...
- Or care for children’s lives...

- Well we care for them!
- Another 9-11
- Will not get you to heaven..
- We want the killing to end!

- **Another 9-11 will NOT get you to heaven..**
- **We want the wars to end!**

- Every war you make,
- Every vow you break,
- Every time you lie,
- Torture or spy,
- We'll be watching you!
- God is watching you!

Bush Spying . . .

- We invite others to add verses
- (some ideas not used yet follow...)
- Let's sing this throughout the USA and the world...
- Keep it peaceful! Change can come peacefully.
